## I Get Along Without You Very Well

**Renato Russo** 

I get along without you very well Of course I do Except when soft rains fall And drip from leaves then I recall The thrill of being sheltered in your arms Of course I do But I get along without you very well I've forgotten you just like I should Of course I have Except to hear your name Or someone's laugh that is the same But I'v forgotten you like I should What a guy, what a fool am I To think my breaking heart could kid the moon What's in store, should I phone once more No it's best that I stick to my tune I get along without you very well Of course I do Except perhaps in spring But I should never think of spring For that would surely break my heart in two
