

Help Me Make It Through the Night

Renee Olstead

Take the ribbon from my hair
Shake it loose and let it fall
Lay it soft against my skin
Like a shadow on the wall
Come and lay down by my side
Till the early morning light
All I'm takin' is your time
Help me make it through the night

I don't care what's right or wrong
I won't try to understand
Let the devil take tomorrow
Tonight I need a friend
Yesterday is dead and gone
And tomorrow's out of sight
It's so sad to be alone
Help me make it through the night

It's so sad to be alone
Help me make it through the night
Oh, I don't wanna be alone
Help me make it through the night
