

Pass Go Collect Two Hundred Dollars

Retard-O-Bot

I never said I was
Anymore than I am
It's the point of no return
No return, no return, no return

NO, don't look back
No no no, don't hold back

You take what you can
and then you never let it go
They know you won't fucking stop
Until you run the show

You take what you can
And then you never let it go
They know you won't fucking stop
Until you're in control

Don't hold back
Never said I was
Never said I was you

Feeble minded people
Thinking they know it all
Feeble minded people
Thinking they'd get it right
No hopes and no solution
just a fucking fight

Never said I was
Anymore than I

I am.
