

Waterfall

Reuben Morgan

Here I am dying to say
I am desperate for Your touch
I fall upon this desert ground and I am empty at Your
feet
Will you break me now
Will you take me in Your grace

Take me deeper in love
Take me deeper with You
Where the streams of Your mercy run
Feel your waves over me
Feel your power over me
In the roar of Your waterfall

Wash away the hidden stains
Of my fallenness I pray
I'll tell the world
Of all You've done
Of Your saving power in me

Saturate me now
Ever leave me in Your grace
