

# Hell Yeah

## Rev Theory

Can you feel that?  
You better hold on  
This one's about to get bumpy  
Hahahahahahaha...

She's a ten, hellbent, I'm in heaven tonight  
Six speed sex scene playin' out in my mind  
One look, I'm hooked, motor runnin'  
Rev'd up, my heart startin' pumpin'  
Are you ready for the best damn ride of your life?

Gimme a "hell"  
Gimme a "yeah"  
Stand up right now  
And gimme a "hell"  
Gimme a "yeah"  
Stand up right now  
Get ready to go  
She ain't movin' slow  
She's takin' control  
Pushin' the pedal to the floor  
I'm beggin' for more  
You better hold on tight

Hey, hey, hey, hey  
Hey, hey, hey, hey

Got a taste, can't be saved, I'm a junkie for life  
She fuels my fire and adrenaline high  
My need for speed's got me gunnin'  
One touch, she screams "keep it comin'"  
Are you ready for the best damn ride of your life?

Gimme a "hell"  
Gimme a "yeah"  
Stand up right now  
And gimme a "hell"  
Gimme a "yeah"  
Stand up right now  
Get ready to go  
She ain't movin' slow  
She's takin' control  
Pushin' the pedal to the floor  
I'm beggin' for more  
You better hold on tight
