

# Maniacally Unleashed

## Revocation

Vacant inside  
Relief I must find  
Panicked desperate restless senseless

I cannot hide  
From deep sunken eyes  
Now it's started, starving soulless

Gnash  
Rend  
Feast of rippling flesh drips in piles  
Crazed  
Slobbering  
Maniacally unleashed upon devouring

Possessing desire  
For that which has died  
Tearing grasping ripping slashing

Exploding throughout  
Gore spilling out  
Serene tranquil sated thankful

This fixation  
consumes my world  
Mastication  
of gushing spoils
