

# Help Me, Suzanne

Miller, Rhett

Help me Suzanne  
I got to figure it out  
Why the whites of my eyes are red  
What I wouldn't give  
For a bed or a fire or a phone  
Who could I call?  
Or what would I say?  
I've been working all week for you  
Where would I go to  
Even if I could go home?

I've been living on the memory of a dream I once I had  
You gave me the reason  
For feeling like I do  
You gave me the reason  
I'd like to thank you

Help me Suzanne I've got to set my sights on the bright sunshiny day  
Cause my whole world's gone grey and its going wrong  
You got a big heart beat and a body in work you could do me a world o  
f good  
Yeah you could and you did and I am begging you to keep on

I've been living on the memory of a dream I once I had  
You gave me the reason  
For feeling like I do  
You gave me the reason  
I'd like to thank you  
I had lost my way  
Like I always do  
You gave me the reason  
I'd like to thank you  
Oh

And I'm living on the memory of a dream I once had  
You gave me the reason  
For feeling like I do  
You gave me the reason  
I'd like to thank you  
I had lost my head  
I had come unglued  
You gave me the reason  
I'd like to thank you  
I'd like to thank you  
I'd like to thank you  
I'd like to thank you
