

Lost Without You

Miller, Rhett

I was going through a hell of a time
When suddenly you showed up
You gave me hope but I lost mine
But hope is not enough

I loved you so hard
It broke my heart
And you weren't like the rest
Until you left

Yeah, I'm lost without you
It's all coming to me now
Yeah, I'm lost without you
All I do is look around
When will I get found?

I was living in Neecee's house
'Cause she no longer could
Soon enough they kick me out
And tear her down for good

The chimney was broke
So the house filled with smoke
I can't catch my breath
Now she's left

Yeah, I'm lost without you
It's all coming to me now
Yeah, I'm lost without you
All I do is look around
When will I get found?

Oh Hanover, your sidewalk's mine
Chewing on a Camel Light
I was walking on a perilous line
Between too much inches right

You long narrow street
You've been there for me
You're so much longer
Now she's left

Yeah, I'm lost without you
It's all coming to me now
Yeah, I'm lost without you
All I do is look around
When will I get found?

I was working on a bottle of wine
When she pulled up outside
She was glowing like an open sign
On a place I'd never tried

So I told her my life
Through the course of the night
She was not like the rest
Til she left

Yeah, I'm lost without you
It's all coming to me now
Yeah, I'm lost without you
All I do is look around
When will I get found?

Sitting in this parking lot
Reminds me of the time
When I might had my only shot
To not get left behind

You gave it to me
But I refuse to see
It was in front of me
Then it left

Yeah, I'm lost without you
It's all coming to me now
Yeah, I'm lost without you
All I do is look around
When will I get found?

Yeah, I'm lost without you
Hey rip tide pulling me down
Yeah, I'm lost without you
If you see me swimming around
Please don't let me drown
It's high time I got found
