

# Singular Girl

Miller, Rhett

Well you can tell it to the radio tell it to the television  
They are not listening they are only machines  
I could sit around all day worrying and wishing  
I was one of them so you could tell it to me

Talking to you girl is like long division yeah  
I been trying to find you may I remind you I'm under oath now  
I been trying to see you 'cause I can see you want the truth no  
w  
I been trying to tell you that I can tell you are  
A singular girl singular girl singular girl

Blame it on the moonlight blame it on plate tectonics  
You thought I wasn't listening but I was  
Talk about attraction talk about electronics  
You are the reason you are because

Talking to you girl is like long division yeah  
I been trying to find you may I remind you I'm under oath now  
I been trying to see you 'cause I can see you want the truth no  
w  
I been trying to tell you that I can tell you are  
A singular girl singular girl singular girl

Talking to you girl is like long division yeah  
I been trying to find you may I remind you I'm under oath now  
I been trying to see you 'cause I can see you want the truth no  
w  
I been trying to tell you that I can tell you are  
A singular girl singular girl singular girl
