

Justified

Rhino Bucket

Treat me like an animal and i'll act just the same
If you're looking for a reason, well i'm here to take the blame
You're givin' me your number, when I had me a good name
The way they want to treat you, it's a crying shame
Now I'm Justified
You're taking your sweet time, to save for yourself
Then you take all my money, to give to someone else
You got a bad habit, taking pleasure from your pain
Climb back up the mountain, just to jump right off again

Now I'm justified
I don't do this all the time
but I'm justified
Hell yeah justified
Now I'm justified
Now I'm justified
Rotten to the core and sweet to the taste
I kick you out the door and it seems like such a waste
Now I'm justified
I don't do this all the time
but I'm justified
Hell yeah justified
Now I'm justified
Now I'm justified
Justified
Now I'm justified
