

Falling

Rhodes

Lie creeps in over you
Even your weakness shows
You lay down when I go
And it pains me to know
Even my heart beats slow

Hide out when you starting to show
You found someone you frightened to know

Oh maybe I'll fall out of love forever
Oh but I can't tell you why, can't tell you why

Quiet even when the sun go
I want you to know
I can never change it or make it right
I am lonely heart
The weakness close on me
So don't try to hide it

Hide out when you starting to show
You found someone you frightened to know

Oh maybe I'll fall out of love forever
Oh but I can't tell you why, can't tell you why

Oh maybe I'm falling out
Maybe I'm falling out
Maybe I'm falling out of love
Maybe I'm falling out of love

I was gone, I was parted
I was lonely when it started
And I'm falling out of love again

Oh maybe I'll fall out of love forever
Oh but I can't tell you why, can't tell you why

Oh maybe I'm falling out
Maybe I'm falling out
Maybe I'm falling out of love
Maybe I'm falling out of love

Oh maybe I'll fall out of love forever
Oh but I can't tell you why, can't tell you why
