

The Love I Give

Rhodes

I know sometimes
Sometimes we cry
I think about love in a lot of ways
And if it didn't hurt, would it feel the same?
Oh, what a life
What a beautiful life it is
I'm trying to keep hold of the love you gave
And give a little back in a better way

'Cause I see blue skies
The colours look amazing
Reminds me of the day we met
You know I'd never change it
Never change it
No, leave you, I won't
No, leave you, I won't
The love I live, I live for you
No, leave you, I won't
No, leave you, I won't
The love I give, I give to you

Darling, there's a dark side to every street
Sometimes in the strangers that we meet
I gotta keep a hold of the love you gave
And give a little back in a better way

'Cause I see blue skies
The colours look amazing
Reminds me of the day we met
You know I'd never change it
Never change it

No leave you, I won't
No, leave you, I won't
The love I live, I live for you
No, leave you, I won't
No, leave you, I won't
The love I give, I give to you
This love (It's alright), this life
This love I give is yours and mine (It's alright)
Alone
This love (It's alright), this life
This love (It's alright) I give is yours and mine (It's alright)
Alone (It's alright)

No, leave you, I won't (It's alright)
No, leave you, I won't (It's alright)
The love I live, I live for you (It's alright)
No, leave you, I won't (It's alright)
No, leave you, I won't (It's alright)
The love I give, I give to you (It's alright)
No, leave you, I won't (It's alright)
No, leave you, I won't (It's alright)
The love I live, I live for you (It's alright)
No, leave you, I won't
No, leave you, I won't
The love I give, I give to you
