

# If I Could Stop Loving You

**Rhonda Vincent**

If I could stop lovin' you and convince myself we're through  
I could get out of bed, clear my head and start my life anew

If I could learn just to let go and erase your memory  
I wouldn't blink or stop to think of all you meant to me

If I could stop lovin' you, pretend you were someone I never knew  
I could do anything I wanted to if I could stop lovin' you

If I could stop lovin' you, 'n get get just one foot over that line  
I could face the fact, you won't be back, I know I'd be just fine

If I could stop lovin' you and turn myself around  
My heart would show me where to go where true love could be found
