

# Jesus Built A Bridge To Heaven

Rhonda Vincent

Jesus built a bridge to Heaven  
A mighty, mighty bridge to Heaven  
Jesus built a bridge to Heaven  
With three nails, and two cross-ties

Took His people by the hand  
Led them 'cross that barren land  
Pharaoh chased them night and day  
But the angel of the Lord kept him away

Jesus built a bridge to Heaven  
A mighty, mighty bridge to Heaven  
Jesus built a bridge to Heaven  
With three nails, and two cross-ties

A humble carpenter by trade  
You'll know Him by the works he made  
No towers of stone, nor works of steel  
But a wooden cross on a wind swept hill

Jesus built a bridge to Heaven  
A mighty, mighty bridge to Heaven  
Jesus built a bridge to Heaven  
With three nails, and two cross-ties

No boulevard, no avenue  
Not a road by man can carry you  
A highway built by hands unseen  
To that city of gold for eternity

Jesus built a bridge to Heaven  
A mighty, mighty bridge to Heaven  
Jesus built a bridge to Heaven  
With three nails, and two cross-ties

Jesus built a bridge to Heaven  
A mighty, mighty bridge to Heaven  
Jesus built a bridge to Heaven  
With three nails, and two cross-ties

Jesus built a bridge to Heaven  
A mighty, mighty bridge to Heaven  
Jesus built a bridge to Heaven  
With three nails, and two cross-ties
