

## When I Close My Eyes

Rhonda Vincent

There's so many things I didn't say  
And even though it may be too late  
I want you to know, I still love you so

Every car I meet looks like your car  
Every movie I see you play the leading part  
You're on my mind, can't leave you behind

When I close my eyes you're all I see  
In the dark of night you're in my dreams  
Throughout the day you're easy to find  
You're always there when I close my eyes

In my mind I know you're far away  
But here in my heart nothing has changed  
I'm still holdin' you like I used to

On a busy street in a crowded room  
Wherever I go it's just me and you  
Together again, girl it never ends

When I close my eyes you're all I see  
In the dark of night you're in my dreams  
Throughout the day you're easy to find  
You're always there when I close my eyes  
You're always there when I close my eyes
