

Panties To The Side

Rich Gang

[Hook: French Montana]

Shorty pull her panties to the side
Told me keep my feelings to the side
For them tens, twenties, fifties, hundreds
Tens, twenties, fifties, hundreds
Tens, twenties, fifties, hundreds
Tens, twenties, fifties, hundreds
Shorty pull her panties to the side
Told me keep my feelings to the side
For them tens, twenties, fifties, hundreds
Tens, twenties, fifties, hundreds
Tens, twenties, fifties, hundreds
Tens, twenties, fifties, hundreds

[Verse 1: Tyga]

She move them panties to the side
She give me head while I drive
These bitches flyin' in like flies
Maybach, no roof, turn a bitch, butterfly
Rose gold in that Autobon
I'm gettin' money in real time
That big hand on them dollar signs
