Now the plummer's got a drip in his spigot
The mechanic's got a clank in his car
And the preacher's thinking thoughts that are wicked
And the lover's got a lonely heart
My friends ain't the way I wish they were
They are just the way they are

And I will be my brother's keeper
Not the one who judges him
I won't despise him for his weakness
I won't regard him for his strength
I won't take away his freedom
I will help him learn to stand
And I will, I will be my brother's keeper

Now this roof has got a few missing shingles But at least we got ourselves a roof And they say that she's a fallen angel I wonder if she recalls when she last flew There's no point in pointing fingers Unless you're pointing to the truth

And I will be my brother's keeper
Not the one who judges him
I won't despise him for his weakness
I won't regard him for his strength
I won't take away his freedom
I will help him learn to stand
And I will, I will be my brother's keeper

I will be my brother's keeper
Not the one who judges him
I won't despise him for his weakness
I won't regard him for his strength
I won't take away his freedom
I will help him learn to stand
And I will, I will be my brother's keeper
