I'm that nigga she could spend them bands with
Look at all these rings, I won the championship
Running with the check like I got Nikes on
Baby told me please put down that Styrofoam

Look at all these rings, I won the championship
Running with the cheque like I got Nikes on

Sippin' on the drank, I'm looking like I'm sleep
Switching bitches and they kissin', I'm in love with freaks
Look at my neck, wet, I got to flex

Drinking the cup with the Actavis
