Yo, yeah, Dat Way
I mean, you know this not a diss record

This just for the record, just facts

Your artists be taking my swag
I wonder If I can come take some of yours
When I go get a new Bentley I just want to double park it on the curb
We got the key to the city
You niggas ain't heard, you niggas ain't heard
Lil Yachty brought back us some milli's
It's time to go splurge, It's time to go splurge

Uh, yeah, Dat Way
Pick up the phone and call Kanye
Uh, yeah, Dat Way
Told him put The Huncho on the runway
Uh, yeah, Dat Way
