

World Is Yours 2

Rich The Kid

Ahem, Young World
You know the world is yours

(D.A. Got That Dope)
(CEO getting more money)

I'm smokin' in Calabasas
Ridin' the biggest jet
I got bigger check
I used to call collect
I used to worry and stress
I used to pray for a check
Used to wanna ball like the Nets
Make a milli' then invest
Magic city make a mess
Not the Rollie, that Patek
I got her drippin' and she wet
Rich Forever, that's the set
Can't get no money you in debt
I was dreamin' 'bout a Benz
I ain't even pay the rent
Make sure the money well spent

Now I'm all rich and wealthy
Pockets real healthy
Ain't nothin' they can tell me
I'ma drip in LV
I'ma flex like you never seen
On the cover of a magazine
Diamon bust down bitches stalkin' me
Rich, they think I hit the lottery
Thanking God it's where I'm supposed to be
It's baby blue I ride that Lamborghini
Seeing money, thought I'd never see
I'm a nigga you can never be
The world is mine actually
All you little niggas work for me
I bought a tank, nigga, Master P
My chopper shootin' like an athlete
My AP is a sight to see
My Benz pulled right up on the beach
I jet to Bora Bora for the week
They want my plug 'cause the price is cheap
I'm the boss I don't need to speak
I'm the nigga that you want to meet
I put Tom Ford on her feet
I'm makin' the money
The money don't make me

Smoking that Cali' best
Ridin' the biggest jet
I got bigger check
I used to call collect
I used to worry and stress
I used to pray for a check
Used to wanna buy all that finesse
Make a milli' then invest

Magic city make a mess
Not the Rollie, that Patek
I got her drippin' and she wet
We forever does effect
Can't get no money you in debt
I was dreamin' 'bout a Benz
I ain't even pay the rent
Make sure the money well spent

(I'ma give you the world)
(Know what I'm saying?)
(The world is mine, The world is yours)
