Cold morning

G A D Cadd9 G A

I was looking out it was a cold day

Songbird was drinking from a table

A D Cadd9 G A

The songbird he just flew away

G A D  
Everybody's gotta feel the weight of death sometime

G A D  
And find out what it's like to be left behind

G A D  
Sometimes you don't get a chance to ask where or why

Em G D  
So let it break the magic beauty of your fragile mind

Em G D  
And let it break the magic beauty of your fragile mind

It's not a sign of weakness

When you're searching for the places where the memories flow

There may come a time when you rearrange and may leave those memories  
You've gotta let them go

Everybody's gotta feel the weight of death sometime  
And find out what it's like to be left behind  
Sometimes you don't get a chance to ask where or why  
Let it break the magic beauty of your fragile mind (4x)

Everybody's gotta feel the weight of death sometime  
And find out what it's like to be left behind  
Sometimes you don't get a chance to ask where or why  
Let it break the magic beauty of your fragile mind (4x)
