XXYY

Richard Ashcroft

we, we have this fight within born through circumstance XYYYYY me if you don't look you cant and fail to see then we fly my love through the stars above they'll write out your name when I am alone they'll map out my way when im coming home Fly Sure above born to there are to calm if you see my love tell that im fine if you see my love tell that im fine

if you see my love tell that im fine if you see my love tell that im fine if you see my love tell that im fine if you see my love tell that im fine if you see my love tell that im fine alright
