

# Anarchy in the UK

Richard Cheese

The Sex Pistols, everybody!

Right!

Now

I am an antichrist

I am an anarchist

Don't know what I want but I know how to get it

I wanna destroy passers-by

'Cos I

Wanna be anarchy

'Cos I

Wanna be anarchy

Is this the MPLA?

Or is this the UDA?

Or is this the IRA?

I thought it was the UK

Or just

Another country

Another council tenancy

Because

I wanna be anarchy

Get pissed

Destroy!
