```
The Sex Pistols, everybody!
Right!
Now
I am an antichrist
I am an anarchist
Don't know what I want but I know how to get it
I wanna destroy passers-by
'Cos I
Wanna be anarchy
'Cos I
Wanna be anarchy
Is this the MPLA?
Or is this the UDA?
Or is this the IRA?
I thought it was the UK
Or just
Another country
Another council tenancy
Because
I wanna be anarchy
Get pissed
Destroy!
```
