

Do They Know It's Christmas

Richard Cheese

It's Christmastime
There's no need to be afraid
At Christmastime, we let in light and we banish shade
And in our world of plenty we can spread a smile of joy
Throw your arms around the world at Christmastime

But say a prayer

Pray for the other ones
At Christmastime it's hard, but when you're having fun
There's a world outside your window
And it's a world of dread and fear
Where the only water flowing is the bitter sting of
tears
And the Christmas bells that ring there are the
clanging
chimes of doom
Well tonight thank God it's them instead of you

And there won't be snow in Africa this Christmastime
The greatest gift they'll get this year is life
(Oooh) Where nothing ever grows
No rain nor rivers flow
Do they know it's Christmastime at all?

(Here's to you) raise a glass for everyone
(Here's to them) underneath that burning sun
Do they know it's Christmastime at all?

Feed the world
Feed the world

Feed the world

Let them know it's Christmastime again

Feed the world
Let them know it's Christmastime again
