Richard Cheese

It's like that and it's like this
I took her to the pad and we started to kiss
Now my dick's on hard, you know what I'm thinkin'
Took the panties off and the p*ssy wasn't stinkin'
Pulled off my drawers and we started to begin
Now the p*ssy's wet so my dick slides in
Oh, Heidi Heidi Heidi you ho
Ridin' from the back so I'm pumpin' kinda slow
So fee-fi-fo-f*ck-fum
She's scratchin' on my back oh here she comes
Now I gotta get a nut gotta get a nut gotta get it quick
You know because I love this shit so

Gimmee that, that, that nutt Gimmee that, Gimmee that, Gimmee that
hat nutt

Okay back back to the f*ckin' basics
You got yours and mine you want to taste it
Open wide oh no don't 'cha waste it
Oh shit all over you face kid
You know you know one thing
You know me I like to slang

That dick you know what so roll over girl while I stick it in y

But I'll trade it all while I'm ridin' that ass scream and shou

My name is the same
Just another p*ssy that I had to tame soooooooooo

Uh, get it all baby
Uh, get it all baby
Uh, get it all baby (lick my balls honey)

Now I love p*ssy
And p*ssy loves me
Like a lemon to the lime and the bumble to the bee
You know its real good, a nigga can't resist it
Couldn't be a fruit loop so don't get me twisted
'Cuz in some p*ssy is the place to be
Always f*ckin' is the life for me
Spread them legs open far and wide
