

Let's Get It Started

Richard Cheese

And the bass keeps walking walking, walking walking,
waaaaalking

In this context, there's no disrespect
So when I bust my rhyme
You break your necks
So loose this inhibition
Follow your intuition
Free your inner soul
And break away from tradition

Cus when we beat out
You wouldn't believe how
Wow shit out

Everybody (yeah)
Everybody (yeah)
Lets get into it (yeah)
Get STOOPID (come on)
Get retarded (come on)
Get started (yeah)

Lets get retardeeeeeeeed, in here, Lets get
retardeeeeeeeed, in here,
Woohuu! Woowoo! foul cheese! Yihaa!

Up inside your club, or in your Bentley
