

Material Girl

Richard Cheese

Some boys kiss me
Some boys hug me
I think they're ok
If they don't give me proper credit
I just walk away

'Cause we are living in a material world
And I am a material girl
You know that we are living in a material world
And I am a material girl

material

Some boys try and some boys lie but
I don't let them play (no way)
Only boys who save their pennies
Make my rainy day

'Cause we're living in a material world
And I am a material girl
You know that we are living in a material world
And I am a material girl

A material, a material, a material, a material
girl, girl
