

More Human Than Human

Richard Cheese

Moaning

Yeah, I am the astro-creep,
A demolition style hell american freak - yeah
I am the crawling dead,
A phantom in a box, shadow in your head - say
Acid suicide - freedom of the blast,
Read the fuckin' lies - yeah
Scratch off the broken skin,
Tear into my heart,
Make me feel it again

Yeah, yeah, yeah, yeah, yeah, yeah, yeaaaah-
More human than human
More human than human
More human than human
More human than human
More human than human
More human than human
More human than humannnnnnn

Yeah, I am the jigsaw man
I turn the world around with a skeleton hand - say
I am electric head,
A cannibal core,
A television said - wooo
Do not victimize,
Read the motherfucker-psychoholic lies - yeah
Into a psychic war,
I tear my soul apart and I eat it some more

Yeah, yeah, uh-huh, yes, oui, si, I agree
More human than human
More human than human
More human than human
More human than human
More human than human
More human than human
More human, than huumaaaaaaaaan!
