

Truth Hurts

Richard Cheese

I just took a DNA test, turns out I'm 100% that bitch
Even when I'm crying crazy
Yeah, I got boy problems, that's the human in me
Bling bling, then I solve 'em, that's the goddess in me

Why men great 'til they gotta be great?
Don't text me, tell it straight to my face
Best friend sat me down in the salon chair
Shampoo press, get you out of my hair
Fresh photos, bomb lighting
New man on the (Minnesota) Vikings
Truth hurts, needed something more exciting

Bom bom bi dom bi dum bum bay

I'ma hit you back in a minute (Yeah, yeah)
I don't play tag, bitch, I been it (One time)
We don't f*ck with lies (Two times), we don't do goodbyes (Woo)
We just keep it pushing like ay-ay-ay

Why men great 'til they gotta be great?
Don't text me, tell it straight to my face
Truth hurts, needed something more exciting
Bom bom bi dom bi dum bum bay, blue moon
