## We Are the World

## **Richard Cheese**

There comes a time
When we need a certain call
When the world
Must come together as one

There are people dying
And it's time to lend a hand
To life
The greatest gift of all

We are the world
We are the children
We are the ones who make a brighter day
So let's start giving

There's a choice we're making We're saving our lives It's true, we make a better day Just you and me!

When you're down and out Thereseems no hope at all But if you just belive There's no way we can fall

Well, well, well, let us realize That a change can only come When we stand Together as one

We are the world
We are the children
We are the ones who make a brighter day
So let's start giving

We are the world
Keep Michael Jackson away from the children
We are the ones who make a brighter day
Ones who make a brighter day
Ones who make a brighter day
So let's start giving
