

# Biggest Part Of Me

Richard Smallwood

Sunrise, there's a new sun a-risin'  
In your eyes I can see a new horizon  
Realize, that will keep me realizin'  
You're the biggest part of me  
Stay the night, need your lovin' here beside me  
Shine the light, need you close enough to guide me  
All my life I've been hopin' you would find me

Well, make a wish (make a wish)  
Well and I will make it come true  
Make a list (make a list)  
Of the things He'll do for me  
Ain't no risk now  
Let His love rain down on you  
So He can wash away the past  
So that we may start anew  
Rainbow, risin' up on my shoulders  
Love flows, gettin' stronger as we're older  
All I know, all I wanna do is serve Him  
He's the life that breathes in me  
Forever, and your word is yet forever  
Together, we will always be together  
For better, and for me there's nothin' better  
You're the biggest part of me

More than an easy feelin'  
He is my joy thing  
How can I tell you what it means to me  
Found someone who believes in me  
Hey, hey

Rainbow, risin' up on my shoulders  
Love flows, gettin' stronger as we're older  
All I know, all I wanna do is serve Him  
He's the life that breathes in me  
Forever, and your word is yet forever  
Together, we will always be together  
For better, and for me there's nothin' better  
You're the biggest part of me
