

God Of Promise

Richard Smallwood

God of love and God of promise
God of wisdom, power and might
God of strength and God of refuge
God of knowledge, God of might

Lord we thank you for your promise
For we know that it is true
In your Word there, is no failure
There is no one, none like you

Glory, glory! Hallelujah!
For we know your Word is true
Glory glory, Hallelujah
There is no one, none like You.

No one, there is none like you
No one, there is none like yo-ou

We're just waiting on your promise
Standing, waiting on your promise

[REPEAT Verse 2]
