Richard Smallwood

I looked at faith I almost walked away But I looked again I found the nerve to close my eyes and say the words To ask you in And I heard no heavenly choir No angels in white attire i got no amazing super human omnipresent powwer but.... CHORUS I know You now I know You now I know You're in my heart I know You now Beyond the shadow of a doubt I know You now I look at peace, that once was out of reach And now it's here i read Your word that some believe is so absurd But I hold dear, yea 'Cause You loved me with your dying breath You saved me when You conquered death
