

I'll Trust You

Richard Smallwood

verse 1

even though i can't see and i can't feel your touch
i will trust you lord
how i love you so much
though my night's may seem long
and i feel so alone
lord my trust is in you
i surrender to you

chorus

so many painful thoughts
try to pull my mind
and i wonder how i will make it through this time
but I'll trust you
lord it's not easy
sometimes the pain in my life
makes you seem far away
but I'll trust you
i need to know you're here
through the tears and the pain
through the heathache and rain
I'll trust you

verse 2

everything that i see
tells me not to believe
but I'll trust you lord
you have never failed me
my past still controls me
will this pain ever leave
but I'll trust you lord
no one else like you do
(back to chorus)
i will, i can, i must, trust you
(repeat 2 times)
i will trust you
(repeat 8 times)
I'll trust you
I'll trust you
I'll trust you,
(repeat 2 times)

god will make away
(repeat 4 times until end)

i will
