

# I'm Forgiven

**Richard Smallwood**

I'm forgiven, I'm forgiven, I'm forgiven  
Jesus paid the price when He gave His life for me  
Now I'm forgiven, I'm forgiven  
All of the chains have been broken and now I'm free

Just like the promise said  
A Messiah would come to save the world  
He died in my stead  
And He rose from the grave with all power in His hand

I'm free
