

## Today ?

Richard Smallwood

Today is gonna be a wonderful day  
For God has washed my sins away  
Today is gonna be a wonderful day  
For God has blessed me in a beautiful way  
New light in my soul since Christ has taken control  
What a wonderful day today today

Oh...

Today is gonna be a wonderful day  
For God has washed my sins away  
Today is gonna be a wonderful day  
For God has blessed me in a wonderful way

New light in my soul since Christ has taken control  
What a wonderful day today today  
(Oh Today) The Lord has saved my soul  
(Today) The Lord has made me whole  
(Oh Today) The Lord has set me free  
(Today) With so many ways for me

(Oh Today) The Lord has picked me up  
(Today) And the Lord has filled my cup  
(Oh Today) I've got love and joy divine  
(Today) Since I met this friend of mine  
(Oh Today) There's a new light in my soul  
(Today) Since Christ has taken control  
(Oh Today) There's no secret what God can do  
(Today) If you let him he'll bless you  
(Oh Today) Today is a wonderful day  
(Today) Since he washed my sins away

Today is gonna be a wonderful day  
For God has washed my sins away  
Today is gonna be a wonderful day  
For God has blessed me in a beautiful way  
New light in my soul since Christ has taken control  
What a wonderful day today today  
What a wonderful day today today  
What a wonderful day today today
