Holiday

Richard Wright

(Wright) It was meant to be a holiday Building castles by the sea Another way to live for you and me Time to pause, consider what we've done The wind is blowing, so come, Let's take a holiday How was I to know quite so soon That dreams can turn a life, Around it seems There is no single way to live our days Between these lines I know you see a man Who's not quite sure who he is Or where he stands Sail on Sail on, across the sea Ride the waves, feel the breeze Sail on There's no other way I'd rather be Destiny, reality are just a dream Raise the sails, the wind is free Every day I become more confused Which way to go, how to choose Back at home, what holds me here Shut in not moving, only half a life Clouds hang heavy, they leave me cold It doesn't have to be this way The wind is blowing, so come, Let's take a holiday Sail on Sail on, across the sea Ride the waves, feel the breeze Sail on There's no other way I'd rather be Sail on Sail on, across the sea Ride the waves, feel the breeze Sail on There's no other way I'd rather be Sail on Sail on Sail on Sail on There's no other way I'd rather be Sail on Sail on
