

## Angry Boy

Richie Kotzen

All in all, I'm just an angry boy  
And I've been drinking  
Heaven knows you're such a pretty girl  
And I've been thinking  
I don't wanna fall in love  
I just want to take you home and have some fun  
So have another drink and let's not overthink it, babe  
Bottom's up

Hold on, my dear  
Baby, while we're here  
We could spend all our time playing games we know  
But you know...

All in all, I'm just an angry boy  
And I've been drinking  
Heaven knows you're such a pretty girl  
And I've been thinking  
I don't wanna fall in love  
I just want to take you home and have some fun  
So have another drink and let's not overthink it, babe  
Bottom's up

Right now is here  
So babe tell me what do you feel  
Cause you could spend your time second-guessing your heart  
But so what?  
Cause you know

All in all, I'm just an angry boy  
And I've been drinking  
Heaven knows you're such a pretty girl  
And I've been thinking  
I don't wanna fall in love  
I just want to take you home and have some fun  
So have another drink and let's not overthink it, babe  
Bottom's up
