

# Can You Feel It

Richie Kotzen

I'm just sittin' by myself  
Tryin' to find somethin' else  
Ain't nobody gonna tell me...  
How I'm meant to live my life  
How I'm gonna fell right  
I know I'm gonna gonna make it through this...

I'm not sayin' that I'm desperate  
I'm just lookin' for someone  
Who makes me feel like living

Oh... got a feeling... I can feel it... oh...  
Got a feeling

I'm tired of sitin' by myself  
I guess I need somebody else  
Who can keep me up all nigh what I'm thinking  
I've been wasting so much time  
Thinkin' waiting all my life  
For a little understanding...

Then I wake up next to you  
I feel I found the truth...  
Ain't nobody messin' with my life...

Can you feel it? I got a feelin'...  
I kind of feel you're gonna make me love again  
I really mean it  
O' can you feel it? Cuz I got a feeling  
You know you make me feel alive again  
I really mean it O' can you feel it?  
I know you can, i know that you can

I know you can baby baby I come home  
You greet me with your smile  
And when you say my name, you know  
I feel just like a child  
I never knew how it could be  
To have somebody righ  
Maybe i'm just somewhere else and  
Love is on my side

Then I wake up next to you  
I feel I found the truth  
ain't nobody messin'with my life...  
Can you feel it? I got a feelin'...  
I kind of feel you're gonna make me love again  
I really mean it  
O' can you feel it?
