

Cannon Ball

Richie Kotzen

I don't know if I should take the bait
I'm thinking it's a little too much too late
I don't know how long I can wait for you, uh-oh
Thinking about the time you made me break
Watch me drowning in your wake
I don't think it's safe to jump back into you

So I'm saying wait, wait, wait
I wanna know if I cannon ball I'm in friendly water
Wait, wait, wait
I wanna know if I dive alone I'm in friendly water

Swimming like a shark inside my lake
Dealing with the wound and I can't shake
All I want to do is find me away from you
So take me where I wanna go
Could I have been your undertow
I know it doesn't matter anyway

Wait, wait, wait
I wanna know if I cannon ball I'm in friendly water
Wait, wait, wait
I wanna know if I dive alone I'm in friendly water

Can't you come
Slinging magic with a wand
A little bit, so what, I don't need to know much
I'll just play it out
I'm rowing, rowing, rowing, rowing, rowing
But wait a minute

Wait, wait, wait
I need to know if I cannon ball I'm in friendly water
Wait, wait, wait
I need to know if I dive alone I'm in friendly water
Wait, wait, wait
Can't you come
Don't let 'em catch you
This ain't friendly water
Wait, wait, wait
Everybody knows it ain't friendly water
