

Dream of a New Day

Richie Kotzen

Long distance our ways are still the same
Existing in a life of pride and shame
Whoa no, it's so easy to imagine a life
Where love's not destined to die
Dream of a new day, I do
'Cause I feel for the lost
Lost for our time
Dream of a new day, I do
'Cause I feel that we're caught
Caught in this lie

We drifted in time, we know what's right
If you won't miss it let it die without a fight
It's so easy to imagine a life
Where love's not destined to die
Dream of a new day, I do
'Cause I feel for the lost
Lost for our time
Dream of a new day, I do
'Cause I feel that we're caught
Caught in this lie
I dream of a new day
Where love is alive . . .

It's so easy to imagine a life
Where love's not destined to die
Dream of a new day, I do
'Cause I feel for the lost
Lost for our time
Dream of a new day, I do
'Cause I feel that we're caught
Caught in this lie
Dream of a new day, I do
Dream of a new day, I do
I dream of a new day
