

Get It On

Richie Kotzen

Yeah, yeah...
Get it on...
Ain't nobody let you go...
Gonna get it on
I can't let you go...

Up all night with young Faye, ooh, she's got it all
My mama gonna knock you off your feet, but ya gotta know how to
love me

Get it on, get it on, we get it on, get it on
Get it on, get it on, we get it on, oh, baby, we could get it o
n
No stopping you 'n' me!

Up all night with no sleep. Then go baby go! I wouldn't stop no
w.
C'mon, drink, no work, it's all play, oh, gloss me, oh, just do
what you do.

Get it on, get it on, we get it on, get it on
Oh baby we can get it on, get it on, we get it on, we can get i
t on
No stopping you 'n' me!

There's no one in the world that could ever compete
You're on the top every second, I'm underneath.
You're livin', live up, my child you carry.

Get it on
Get it on
Get it on, get it on, we get it on
Ain't no stopping you 'n' me!
Aah, she loves me.

Get it on
Get it on

Aah, she loves me.
