

I Don't Belong

Richie Kotzen

Gettin' on gettin over is not as hard as it should be
Maybe love has made me colder
but it feels more real to me

You tell me all I do wrong but I don't belong to you
I don't belong
You don't want me to be strong but I don't belong to you

I've been walkin' through it blind now I finally can see
Good or bad wrong or right what I'm losin' set me free

You tell me all I do wrong but I don't belong to you
I don't belong
You don't want me to be strong but I don't belong to you

Somethings taken part of me and
I'm not what I used to be oh no

You tell me all I do wrong but I don't belong to you
I don't belong
You don't want me to be strong but I don't belong to you
