

I'm Comin Out

Richie Kotzen

Hand on the table, i let the pile ride, Shootin' the dice
I'm on Fire
Say to my lady what my money can buy, dealer call it a
five i'm on the rise
Stick man hard ten press it up to \$510.00 Ready or not, I
got the numbers wired...
Straight shooter I'm rollin' up a straight line,
Hard number I'm comin', I'm Comin' out
Blood money I'm burnin' up the pass line,
O' mamma I'm Comin', I'm Comin Out

Luck in my stable is keepin' me hot, Ain't no time to
play shy
Handin' me favors like on money can buy,
Dealer call it a nine I'm doin' fine
I want some love stone slidin' on the blood bone,
after the ride, I'll take another round...

Straight shooter I'm rollin' up a straight line,
Hard number I'm comin' I'm comin out
Blood money I'm burnin' up the pass line,
O' mamma I'm Comin', I'm Comin Out
