

# I've Got You

Richie Kotzen

Talk to me  
Take me home  
I've got a lot to learn  
Talk to me  
Take me home  
I've got a lot to learn  
Teach me more  
Oh, know you know  
More, more  
More than me  
Talk to me  
I've got a lot to learn

Everybody knows I'm not a lucky man  
But I've got you who loves me  
Everybody knows I'm not a lucky man  
But I've got you who turns me on and on

Fall with me  
And make me strong  
I've got no time to hurt  
Laugh at me  
And make me small  
I've got a lot learn  
Teach me more  
'Cause I got no time to waste  
Take me more, show me more  
Oh, I've got a lot to learn

Everybody knows I'm not a lucky man  
But I've got you who loves me  
Everybody knows I'm not a lucky man  
But I've got you who turns me on and on

It's gonna come back to me  
It's gonna come back to me  
Yeah, I know  
Yeah, I know  
It's gonna come back to me  
It's gonna come back to me  
Yeah, I know  
I know, I know, I know

Everybody knows I'm not a lucky man  
But I've got you who loves me  
Everybody knows I'm not a lucky man  
But I've got you who turns me on and on  
Oh, I've got a lot to learn, teach me more  
I've got a lot to learn
