

In An Instant

Richie Kotzen

Oh, whachya done now? Cryings of pain
Don't know why, but we all
Hit the bottom
I can't say that I'm not the same
Alone in a dream is where I found you

And it's instant, now I finally know
The past I've dropped today
A commitment, now I'm man enough
To do anything my own way
And it's instant, I can't fight the war
I'm happier today
And it's instant, instant, what war?
You got me loving off the

Oh, my lady
Don't eva change!
I been in so many places
But remember you is the one I claim
Alone in a dream is where I found you

And it's instant, now I finally know
The past I've dropped today
A commitment, now I'm man enough
To do anything my own way
And it's instant, I can't fight the war
I'm happier today
And it's instant, instant, what war?
You got me loving off the
