

## Peace Sign

Richie Kotzen

I keep hearing bad news so much  
Everyday of my life  
Everybody keeps talking and talking so much  
But I don't see them try

Love, love, love, love  
It's so easy to say  
Love, love, love, love  
It's not easy to do

Freedom ain't no free ride  
Some still need to fight  
People wave the peace sign  
So people can unite

You say you got the blues so bad  
But you don't know why  
I see people that lose so much  
It makes you just wanna cry

Love, love, love, love  
It's so easy to say  
Love, love, love, love  
It's not easy to do

Freedom ain't no free ride  
Some still need to fight  
People wave the peace sign  
So people can unite  
Freedom ain't no free ride  
Some still need to fight  
People wave the peace sign  
People can unite
