

Ready

Richie Kotzen

Ready for the real life hold back pillas of pride
your gonna find out when it ends if all the things
that you thought were right talkin want bring yours
areams so thing is all that it seems you got to
tear down your bitter side and get got or with your only life

So are you ready? Ready take a look around you see
what I see hear what I hear Ready, ready whatever
your intentions get ready now, for the real life, Ready
for the real life

Shattered and kicked around straight back to your one
horse town only to do it all again,
but loslay this time its gonna be right
