

# Scared of You

Richie Kotzen

I feel in love from the moment I met you  
Your in my blood now I'll never forget you  
You give me life and you open my eyes  
You feed my soul and you blow my mind

My friends tell me boy I'm afraid for you  
They say I should be scared of you  
My friends don't know what you do for me  
But you get me through

You help me float when I feel like I'm sinking  
I let it go I don't care what they're thinking  
I cant explain everything you have given  
I'm your disciple your my religion

My friends tell me boy I'm afraid for you  
They say I should be scared of you  
My friends don't know what you do for me  
But you get me through
